#### The Royal Canadian Legion MANITOBA & NORTHWESTERN ONTARIO COMMAND

#### A Message from the President

This year, 2014, is an important year of remembrance for all Canadians. August of 2014 marks the 100<sup>th</sup> anniversary of the beginning of the First World War. We, as Canadians, are part of an institution that has earned our place of esteem through a distinguished history of service both to Canadian Military Veterans and to the Canadian public. Once again, this edition is not only a tribute to these Veterans but it is a tribute to all Veterans from all generations.

The cover photo of this edition is the memorial at Vimy Ridge Memorial Park on Portage Avenue in Winnipeg. The memorial was originally placed on Vimy Ridge in 1917, then moved and relocated to Winnipeg in 1926.

The proceeds from this edition are used for various Legion programs and we thank all donors and advertisers.

We will remember them.

an Kidd

Dan Kidd President The Royal Canadian Legion Manitoba-Northwestern Ontario Command

The following is a brief history of the Brown family of Rossburn, Manitoba as it pertains to World War II.

William Herbert Brown was born in 1886 in Rossburn. He married Hellen Halliday in Vista in 1916. He did his part during World War II by working at the prisoner of war camp at Whitewater Lake in Riding Mountain National Park. Hellen died in May of 1946 and William in November of 1964.

A first son, Robert was born in 1916, joined the Artillery in 1939, and went overseas in 1940. He married an Irish girl, Nora Ryan in 1941 and served in Africa, Italy, Holland and Germany. The Rural Municipality of East St. Paul would like to thank all of our War Veterans for the extraordinary sacrifices they made for our country and for us as Canadians. Thanks to these men and women, Canada is a place we are proud to call home. The freedoms we enjoy today are often taken for granted and regrettably only reflected upon on Remembrance Day. We are proud to sponsor the Military Service Recognition Book Project to remind Canadians of the selfless contributions made by our Veterans so that your sacrifices were not in vain.

#### HAMLIN, Anthony

Anthony was born in 1920 in Winnipeg, Manitoba and he served in Canada and England with the Winnipeg Grenadiers during WWII. At 20 years of age and as a recent business school graduate, Anthony was sent to the Recruiting Office to work administration and payroll. He left Winnipeg for Neys Camp 100, a German POW camp in northern Ontario where high profile Nazis were held, including Ernst Hanfstaengl, Hitler's pianist and confidante. He was excited to be sent into the real war, he thought, when he sailed on one of two U.S. warships to the Aleutian Islands only to be dropped off on a safe island with his Pay Officer. Their job was considered very important as the men needed to be paid. He also recalls D-Day where every available man was needed for the operation and their paperwork had to be in order before they could go. He describes this as a madhouse. Anthony never did see the front lines but his efficient service behind the scenes made life at least somewhat bearable for his comrades who did.

Richard was born in 1920 in Oak Bank, Manitoba. He joined the RCAF and flew Lancasters with 426 Squadron, Bomber Command, Linton-on-Ouse in York, England. He recalls April 20, 1944 on a bombing run in Koln when they were hit by eight incendiary bombs from one of their own planes, setting fire to their starboard engine and the port wing, knocking out the trim tabs and making a hole through the wing and the big gas tank. A JU 88 fighter then attacked them while they were on fire but Richard took evasive action and lost the fighter. They finished the bombing run and headed for the emergency aerodrome on England's foggy coast. Richard did an instrument landing right on beam with two engines on one side, no trim tabs and one engine cut on the port side. He was to be awarded the Distinguished Flying Cross but asked that it be given to his bomb aimer as he had lost a brother on a raid a week earlier. Richard has been a member of Springfield Legion Branch 146.

For the first year, duties were confined to protecting coastal convoys, rescuing downed aircraft crews and patrolling enemy coastlines. Later, the ship was equipped as a minesweeper. This duty would extend well into the months following war's end. Most memorable was the sweeping in advance of the American Task Force for its landing at Omaha Beach on D-Day. After the Invasion came the clearing of mines in French and Dutch territorial waters. James was awarded the 1939-45 Star, the Atlantic Star, the France and Germany Star, the War Medal and the NGS Medal with Minesweeping Clasp. ## **Proud to Help Our Veterans Hear Better**

If you were to pause for a moment to consider how good you are at listening and communication in different situations, how would you rate your abilities?

- Is your family complaining that your television volume is set too loud?
- Are others tried of you asking them to repeat themselves in everyday conversations?

If you answered 'yes' to any of these questions, it may be time to get your hearing tested.
