The Royal Canadian Legion
MANITOBA & NORTHWESTERN ONTARIO COMMAND

A Message from the President

In this, the 90th Anniversary of The Royal Canadian Legion, it gives me great pleasure to bring you the 6th Edition of the Military Service Recognition Book. You will note while reading through these pages, that the men and women have served in many different conflicts in the Army, Navy and Air Force, some paying the ultimate sacrifice.

We should be ever aware that serving forces of today stand ready to add their service to our great nation. We must recognize Canada has never turned away from our commitments.

The Manitoba and Northwestern Ontario Command would like to thank all those that submitted information for this 6th Edition, also the support of advertisers and donors who made this publication possible.

Proceeds from this publication are used to assist various Legion programs.

We Will Remember Them.

Mel Willis
President

Memorial Park Circle Cenotaph is located in Park Circle, Winnipeg, MB. Cared for by the Transcona Royal Canadian Legion No. 7, the cenotaph was originally dedicated in October 1931 to commemorate community members who lost their lives in the First World War. Plaques honouring Second World War and Korean War casualties and recognizing peacekeepers were added. The cenotaph was renovated and rededicated in June 2001. *Photograph courtesy of Megan Leskiw.*

A Message from the Publisher

Fenety Marketing is very proud of its participation in the publication of the **The Royal Canadian Legion – Manitoba Northwestern Ontario Command’s Annual Military Service Recognition Book**. This is the sixth edition in the series devoted to recognizing veterans and ex-military service personnel throughout Manitoba and Northwestern Ontario.

It is always an honour to work with The Royal Canadian Legion on this historic series of recognition books, which offers another avenue to continue its mandate as “Keepers of Remembrance”, so that the selfless contributions made by Manitoba and Northwestern Ontario’s veterans will not be forgotten.

I would like to thank the citizens and business owners of Manitoba and Northwestern Ontario who have supported this very worthwhile project of The Royal Canadian Legion, as it is their support that makes this legacy of The Royal Canadian Legion possible.

“Lest We Forget”

With Pride and Gratitude We Honour The Following Veterans

Read their stories on the following pages and take a moment to reflect on their sacrifices, made so selflessly for our freedom.

Thank you for contributing with your photos and memories, so we can share them. May we never forget.

ADVENT, John A.

WWII

John enlisted in the Army and served in the 7th Med. Battery, 5th Med. Regiment, during World War II. He spent three-and-a-half years in the Artillery taking part in the defence of Great Britain and in the invasion of Italy. After discharge, he purchased a farm through the Veterans Land Act and ran it very successfully for 25 years. John passed away on July 22, 2009.

AKINS, Frank

WWII

Frank joined the Army early in the war as a member of the Princess Patricia's Canadian Light Infantry. He spent some time in England before taking part in the invasion force in Sicily and in the Italian campaign. At war's end, he was with the Canadian Forces in Holland. After the war, he settled on a farm near Manson, MB. Frank passed away in 1967.

ANDERSON, Thomas A.

WWII

Thomas was born in Birtle, MB in 1925. He enlisted in the Royal Canadian Navy at H.M.C.S. Chippawa in early 1943. Thomas spent three years on board the H.M.C.S. Dunvegan, most of which was spent in the North Atlantic. During the war he lost two good friends: Francis Pound and Wayne Colbeeks. Thomas has been a member of Virden Branch 8 for over 40 years.

ANDREW, Robert Vernon "Vern"

WWII

Vern was born in the Rural Municipality of Miniota in 1904. He was educated at Virden Collegiate and Brandon College. He joined the 20th Border Horse in January 1931 as a 2nd Lieutenant. In May 1940, he enlisted in the 12th Manitoba Dragoons which had amalgamated with the Border Horse. In September 1942, he went overseas with the 18th Armoured Car Regiment and saw action in France, Belgium, Holland and Germany. In September 1948, he served as a representative of the regiment at the dedication of the Canada Bridge in Bruges. The city also presented them with a medallion window "in grateful appreciation of its liberation, September 12, 1944." The medallion window was installed in St. Mary's Anglican Church in Virden and dedicated on October 20, 1952. Vern was President of Virden Branch 8 from 1948 until 1950 and was a member until his death in 1961. He is buried in the Virden Cemetery. The insurance and travel business founded by his father still operates as a fourth generation agency.

IN REMEMBRANCE of My Uncle

ELMER CROSSLEY CAIRNS (July 20, 1925 – March 9, 2011)

Elmer served in World War II in the navy as a radar operator on the destroyer "St. Laurent". The St. Laurent escorted merchant marine ships which supplied England with war materials.

The St. Laurent was in the naval "OPERATION NEPTUNE" as a part of "OPERATION OVERLORD" on D-Day, June 6, 1944, when the Allied Armies from the U.S., Britain and Canada landed on the coast of Normandy.

His job was to monitor for German submarines. I do believe that his ship located and destroyed a submarine that day.

Uncle Elmer could not even swim and his family always wondered how he ended up in the Navy.

The Rural Municipality of Montcalm was incorporated in 1882. A special celebration was held on June 13, 2007 to mark the municipality's 125th anniversary.

The R.M. of Montcalm is located approximately 60 kms south of Winnipeg in the heart of the Red River Valley and has three population centres: Saint-Joseph, Letellier and Saint-Jean-Baptiste.

We are active members in the Manitoba Association of Bilingual Municipalities, Triple R Community Futures Development Corporation, Pembina Valley Water Coop, Red River Recreation Commission, and Altona and District Health Care Board as we strongly believe in creating partnerships to assure our continued growth and diversification.

The Rural Municipality of Montcalm coupled with entrepreneurial residents is well positioned for economic development. However, agriculture is still the main industry driving the economy in our region.

The municipality is committed to providing ratepayers with good quality services at competitive and cost efficient rates. Our employees are expected to perform good quality work within a team atmosphere in return for fair compensation. Employees are expected and required to ensure proper procedures are followed and to serve all the ratepayers in a manner that enhances the quality of services provided.

Council members will endeavour to consistently interpret and implement policies with consideration to fairness and discretion.

"At the going down of the sun,
 And in the morning,
 We Will Remember Them"

It is the veteran

*It is the veteran, not the preacher,
who has given us freedom of religion.*

*It is the veteran, not the reporter,
who has given us freedom of the press.*

*It is the veteran, not the poet,
who has given us freedom of speech.*

*It is the veteran, not the campus organizer,
who has given us freedom to assemble.*

*It is the veteran, not the lawyer,
who has given us the right to a fair trial.*

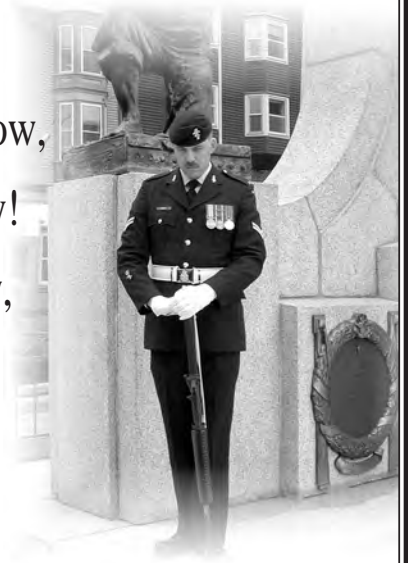

*It is the veteran, not the politician,
who has given us the right to vote.*

*It is the veteran, who salutes the Flag, who serves under the Flag,
Whose coffin is draped by the Flag.*

We will remember them.

Forget Them Not

We've lined their boots all in a row,
And amongst them stand,
The saddest scene I'll ever know,
Goodbye dear friend, goodbye!
Through mud and rain and battle blows,
We cried cursed prayers,
On blood-soaked clothes;
And from that wound his life did flow,
Please stay we begged, please stay!
There is a time that soldiers know,
When so many die,
That the pain and woe,
Is too much for the mind to hold;
Roll on your drums, roll on!
A band of brothers stand in their rows;
The empty boots still,
Where a life did grow,
Our friends have gone, no more to know;
Remember them always, remember!

MEDALS

**Hell, who cares for those old men at the Legion bar,
That talk so silly of past wars fought afar?
They all sound like heroes as they display a scar
And who doff their medals – most look like a star!**

**Well, who cares for their medals and silly talk,
And what's so important on November 11th at eleven o'clock?
When they march in silence to that flag draped rock,
And bow their heads for two minutes, like sheep in a flock.**

**If you had seen them in battle, they were young then too,
Who went in large numbers and returned so few;
You'd know that the prayers for the dead of their crew,
Are not for "old men with medals" but for kids just like you!**

**Their medals, scars and "silly" talk
and even their prayers at that flag draped rock,
Are something no one ever mock
it's the price they paid for no shackles or lock!**

**So, maybe now, you'll give second thought
to the fact "they cared", that's why they fought –
but even if you cares they did not earn, for they were never sought
–
their lives and scars are what they paid for the liberty we've got!**

W.D. Manners

THE FINAL INSPECTION

The soldier stood and faced God,
Which must always come to pass.

He hoped his shoes were shining,
Just as brightly as his brass.

"Step forward now, you soldier,
How shall I deal with you?

Have you always turned the other
cheek?
To My Church have you been true?"

The soldier squared his shoulders and
said,
"No, Lord, I guess I ain't.
Because those of us who carry guns,
Can't always be a saint.

I've had to work most Sundays,
And at times my talk was tough.
And sometimes I've been violent,
Because the world is awfully rough.

But, I never took a penny,
That wasn't mine to keep...
Though I worked a lot of overtime,
When the bills got just too steep.

And I never passed a cry for help,
Though at times I shook with fear.
And sometimes, God, forgive me,
I've wept unmanly tears.

I know I don't deserve a place,
Among the people here.
They never wanted me around,
Except to calm their fears.

If you've a place for me here, Lord,
It needn't be so grand.
I never expected or had too much,
But if you don't, I'll understand.

There was a silence all around the
throne,
Where the saints had often trod.
As the soldier waited quietly,
For the judgment of his God.

"Step forward now, you soldier,
You've borne your burdens well.
Walk peacefully on Heaven's streets,
You've done your time in Hell."

Prayer for Our Soldiers

"Lord, hold our troops in your loving
hands.
Protect them as they protect us.
Bless them and their families for the
selfless
acts they perform for us in our time
of need.

I ask Lord.
Amen."
