A Message from the President

I feel very pleased that I am able to introduce you all to our 7th Military Service Recognition Book. As many of you will know, I have had a long spell in the hospital. I am now back and ready to face the rest of my term.

With our support this book will continue giving us memories of war and victory. This book holds many lives in its hands and keeps us thinking about the lives which were so radically changed in the years while we waited for peace. There were great changes that came from those conflicts.

I want to give you all my hope for understanding of the individuals who were fighting and dying for our peace. I also hope you appreciate the contents of the book.

In Comradeship,

Mel Willis
President

The Waverly Park Cenotaph in Thunder Bay, Ontario was originally built in remembrance of local soldiers who died during World War I, and was updated for both the Second World War and the Korean War. It was erected in 1925 by the McCallum Granite Company of Kingston, Ontario, through the efforts of the Women's Canadian Club. The cenotaph is identical on either side, with an inscription that reads: ERECTED IN COMMEMORATION OF THE MEN AND WOMEN OF THIS CITY WHO DIED ON THE FIELD OF HONOUR IN WAR THAT CANADA MIGHT MAINTAIN HER HERITAGE OF FREEDOM.

A Message from the Publisher

Fenety Marketing is very proud of its participation in the publication of the **The Royal Canadian Legion – Manitoba Northwestern Ontario Command’s Annual Military Service Recognition Book**. This is the seventh edition in the series devoted to recognizing veterans and ex-military service personnel throughout Manitoba and Northwestern Ontario.

It is always an honour to work with The Royal Canadian Legion on this historic series of recognition books, which offers another avenue to continue its mandate as “Keepers of Remembrance”, so that the selfless contributions made by Manitoba and Northwestern Ontario’s veterans will not be forgotten.

I would like to thank the citizens and business owners of Manitoba and Northwestern Ontario who have supported this very worthwhile project of The Royal Canadian Legion, as it is their support that makes this legacy of The Royal Canadian Legion possible.

At Turning Leaf, we're seeing people differently. We see that man on the street: dishevelled, dirty, talking to himself, asking for money. Many see just a homeless, mentally ill panhandler.

We see Albert. A brother, and a son.

We're committed to people like Albert and to his family.

Turning Leaf (Inc.) is dedicated to providing crisis intervention and treatment services to youth and adults experiencing intellectual challenge and mental illness. Turning Leaf is compassionate, trained people helping those vulnerable and marginalized while they struggle with the seemingly insurmountable obstacles of homelessness, poverty, victimization, isolation, and loneliness.

With services throughout Manitoba, Turning Leaf offers those that are hurting with housing, addictions treatment, women's shelters, and counselling. These services all work tirelessly to make lasting relationships, support healthy change, and, above all, share hope.

FUTTY, Thomas

WWII

Thomas was born in Winnipeg in 1922. He enlisted in the Navy and served in Canada during World War II. He was stationed in Shelburne, Nova Scotia in the Royal Canadian Navy. He married Annie on June 29, 1944, and a few days later, leaving behind all family, they left for Shelburne where they started their new married life together. Thomas was 23 years old when his first child was born a year later on May 1, 1945. When he became a father, he was extremely happy with his new role as a Dad, and he excitedly took everyone he could find to see his new daughter, Karen, at the maternity ward. He remained, over the years, a wonderful father to Karen and his next two children, Tommy and Jane, who were born a few years later. When Karen was ten days old, Thomas carried her down to the harbour where he showed her the U-boats. Over the years, he would remind her that when she was a baby, she had witnessed the U-boats in the Harbour. History was in the making and she was there to see it. He was a member of the St. James Legion Branch 4. Thomas passed away in 2008.

MacDONALD, Donald

WWI

Donald was born in Isle of Lewis, Scotland on January 18, 1895. In 1913, Donald came to Ninette, Manitoba where his relatives had started farming. Donald enlisted in Winnipeg in 1915 with the 43rd Battalion and proceeded overseas in England, France and Belgium during World War I. He was gassed in Belgium and developed tuberculosis. After stays in numerous hospitals in England, he was returned to Canada and the Ninette Sanatorium where he received treatment for close to two years. He was discharged as permanently unfit for service in 1918. Over the next twenty years, he experienced numerous procedures for his tuberculosis empyema including two thoracoplasty operations. Donald worked tirelessly for veterans and other TB patients and was honoured in 1935 by King George V with the Jubilee Medal and again in 1953 with the Queen Elizabeth Coronation Medal. He was heavily involved with the Ninette Legion serving in various executive positions. He was the local representative for the Department of Veteran's Affairs and Ninette's postmaster for 36 years until his death in 1959.

MacGARVA, Robert Alexander

WWII

Robert was born in Scotland on July 4, 1913. At a very early age, Robert immigrated to Canada along with his parents and siblings. They took up farming in Balmoral, MB and, in 1939, Robert joined the Fort Garry Horse Reserve. In 1940, he married and joined the Royal Canadian Air Force a year later. His wish was to become a pilot but his vision did not meet the criteria required so Robert then chose to join the Air Force Military Police where he remained until 1945 at which time he returned to Canada, bought a farm in Balmoral where he raised a family. He remained on the farm until his health failed in the late 1980s. Robert passed away on August 27, 1998.

MacGARVA, Ronald O.

WWII

Ronald was born on April 14, 1922 on a farm near Whithorn in Scotland. He was the second son of Robert and Jean MacGarva who arrived in Balmoral, MB on May 28, 1928. When he was eighteen, he joined the Royal Canadian Air Force; he wanted to fly and to shoot. He learned that this was possible with fighter planes which also dropped bombs. He proceeded through the ranks from Aircraftman to Flight Lieutenant while in Canada and then England and India. He returned to the farm after 1945 and took an Agricultural Diploma Course, and then by invitation, returned to the Air Force to become a Squadron Leader. His medals include the 1939-45 Star, the Aircrew Europe Star, the Burma Star, the Defense Medal, the Canadian Volunteer Service Medal with Clasp, the War Medal 1939-45, the Canadian Forces Decoration and Clasp, the Operational Wings and Bar, Pilots flying Badge and Dieppe Clasp. He married Marion Brennan in 1952. Ronald passed away in January 2009 at the age of 87 in the Blairmore Hospital, AB.

Richard was born in Carroll, Manitoba in 1923. He joined the Royal Canadian Air Force in 1942 and served in Europe with the #428 Squadron, 6 Group Bomber Command T.A.F. during World War II. He worked on Lancaster bombers, patching and repairing the bodies and wings when they returned from bombing raids on enemy lands. Often the planes were torn and holed by shells from enemy fighters and anti-aircraft ground fire and sometimes crashes. It was terribly important that these planes were rebuilt and repaired and returned to our aircrews in a safe and airworthy condition as quickly as possible. They carried our fight to the enemy lands. He was a member of the Legion Branch 90 for 63 years before he passed away in 2005.

Bill told the others to get the wounded off while he would keep the Germans occupied by jumping all over shooting and making it look like there was more than just him. He had taken out a German Pill Box before he ran out of ammo at which time he surrendered. For this action, the French government awarded him the Croix de Guerre with Bronze Star for bravery above and beyond the call of duty. Bill was taken Prisoner of War at Dieppe in 1942. Bill passed away in 1970.

On September 16, 1943, Bruce left Goose Bay to sweep ahead of quadrant group HMS Renown, which was carrying Winston Churchill back to Britain after the Quebec Conference with President Roosevelt. On September 19th their aircraft took off with another 10BR squadron aircraft to sweep the track of a westbound convoy. While they were enroute to the sweep area a U-boat was spotted but it was impossible for them to lose the necessary height for an attack. The submarine was firing at them from the moment of sighting. As they were turning to get in position for another run up, the U-boat sank. A few weeks later the crew was given leave but Bruce decided not to go on leave at that time. Bruce was very fortunate for that decision as their plane bound for Montreal failed to reach Dorval and the crash was not found on Black Mountain, Quebec until three years later.

SIDDALL, William "Bill"

WWI

Bill was born in 1894 in Curbar, England. He immigrated to Canada in 1912, settling in Port Arthur, Ontario. He served in the 96th Lake Superior Regiment then enlisted in the C.E.F., posted to The Little Black Devils. He served in England, France and Germany during World War I. Bill was at the Battle of Ypres gas attack. Despite the effects of the gas, Bill's 8th Btn left their trenches and engaged the Germans hand to hand combat. Many were killed. Bill was injured and taken as a prisoner of war at Kriegsgefangenenlager Camp from May of 1915 to December of 1918. While a prisoner of war, Bill cared for the horses. He would hide horse hair from the horses' tails and made a necklace over the three years. There is a pattern to it with likely a meaning. Bill met Elizabeth Pinchbeck, Sheffield and married in March of 1919. He gave Elizabeth the necklace as a gift which she wore for years. Bill was a very kind, gentle man who loved gardening. He passed away in 1972 in Winnipeg.

While on night patrol, he was taken prisoner and forced to work behind enemy lines in France without any necessities of life. After a year, he was sent to Germany where Red Cross parcels and clothes awaited him. He was repatriated through Copenhagen, Denmark on December 17, 1918 while a band on the dock played "The Maple Leaf Forever", thence to Scotland Christmas Day, finally arriving in Canada in April of 1919. Arthur married Edna Kelly of Crawford Park, MB where Arthur took up farming and their six children attended Clear Creek School. In 1947, the farm was sold and the family moved to Foxwarren, MB. Arthur died in 1982 at the age of 89 and Edna passed away in 1992. They are buried in Foxwarren Cemetery.

SINCLAIR, Lloyd G.

WWII

Lloyd was born in Elkhorn, Manitoba and was raised on the family farm nearby. After finishing high school, he taught school. He joined the Royal Canadian Air Force early in the war and trained as a pilot. Following graduation from the pilot training course, he was sent to England for further training. He served in England during World War II. He became the Captain of a Lancaster bomber taking part in the air offensive against Germany. His aircraft was shot down over Germany and the entire crew was killed. Sinclair Rapids on the Mistey River in Northern Manitoba were named in memory of Sergeant Lloyd Sinclair.

They had two children, Beryl Bjornson (Winnipeg) and Stanley (Baldur). Thomas is deceased.

TOWLER, Edgar

WWII

Edgar was raised on a farm north of the village of Manson, Manitoba. He joined the Army early in the war and served initially with the 101st Battery Royal Canadian Artillery. He transferred to the South Saskatchewan Regiment and proceeded overseas. He served in Canada and in France during World War II. Edgar was severely wounded in 1944 while serving in France. TRICK, Charles Richard "Dick"

WWII

Dick was born near Stonewall, Manitoba in 1916. He joined the Winnipeg Grenadiers in 1939, deploying to Jamaica to carry out garrison duties in 1940, and returning to Winnipeg in August of 1941. He had just enough time to marry Helen (Sheldon) before deploying to Hong Kong in late October. What followed has been well documented, the battle of Hong Kong, the surrender, and then almost four years of beatings and starvation in Hong Kong and Japan for the survivors. Dick was a POW in Hong Kong until January of 1943 when he and many others were shipped off to Japan to act as slave labour in various camps. He survived, returning home in October of 1945 and taking over the family farm from his father. In 1946, he joined the Legion and began a life-long campaign for veterans' rights. He received the Meritorious Service Medal in 1972 and in 1981, Life Membership. Dick passed away in 1996 and he is buried in Stonewall Cemetery with his comrades.

WAWRYK, Nickolas “Nick”

WWII

Nick was born on December 4, 1912 in Netley, Manitoba. He joined the Army and enlisted with the Queen’s Own Cameron Highlanders in October of 1939 and served overseas in Africa, Italy and Germany during World War II. While in Italy, he was a gun fitter artificer with the 5th Armored Division before going to Germany. Nick lived and farmed in Netley, Manitoba for many years with his wife and six children. Besides farming, he also worked at the Manitoba Rolling Mills in Selkirk for fifteen years. Nick passed away on April 7, 2004.

WAWRYK, Paul

WWII

Paul was born in Netley, Manitoba on October 25, 1918. He first joined the Royal Canadian Artillery but was assigned to RCEME. He was sent to the Postal Corps in Bournemouth, England then to London for driver training and spent two years delivering mail. Driving through the streets that were not bombed near Eddison station, a buzz bomb suddenly shattered an apartment block. Paul stopped and noticed a young boy on the 7th floor. He was able to help and saved him from further harm. In 1949, Paul graduated in Radio Engineering and rejoined the Army and worked in radio communication during the flood of 1950. They were posted to Churchill; Kingston; Halifax; Baden (4th Wing) in Germany; Edgar, Ontario; Beausejour; Gypsumville, MB. He retired from Commox, BC in 1968 and eventually returned (fifteen years) as a radar tech with ITT on the DEW line. He worked on every DEW line pod from the Alaska side to the Greenland side. Paul passed away on January 8, 2009.

WAWRYK, Steve

WWII

Steve was born in Netley, Manitoba on July 20, 1921. He was posted for the battle of Ortona. There were thirteen regiments on a three mile front. He was assigned to the 19th Battery, 3rd Field Regiment. There was a premature shell burst; the shell burst leaving the muzzle, the muzzle break was blown to pieces. He somehow survived the blast but he still has ringing in his ears to this day. The muzzle break was scattered over the countryside, the liner in the barrel was distorted and the beach block was frozen shut. Towards the end of January 1945, his two brothers, Nick and Paul were on leave in London. They all met in Aldershot. They arrived by train at the Waterloo station and stopped overnight at the Victoria League Canadian Forces Club. By April, they boarded the “Le De France”, a French vessel, eight days to New York Harbor and two days by train to Winnipeg.

WHITE, George A.

WWII

George, son of George and Agnes White was born in Binscarth, Manitoba on September 21, 1920. He joined the Royal Canadian Air Force in Winnipeg in September of 1940 and proceeded to Manning Depot in Brandon, MB and thence to No. 2 Wireless School in Calgary for a six week course (he had learned telegraphy prior to enlistment). In mid-November, he was in England posted to 220 Squadron as a ground wireless operator. His desire was to be air crew and he was afforded the necessary training and promoted to the rank of Sergeant Wireless Air Gunner. When the Canadian Government decided to Canadianize the force, he was transferred to the all Canadian 407 Squadron (Demon Squadron) attached to Coastal Command which in part was its mandate to attack enemy shipping at mast height. He passed through the ranks and retired after thirty years of service with the rank of Colonel. Arthur passed away on February 22, 2011 and is buried in the military cemetery in Ottawa.

WICKENS, Edward Donald

WWII

Edward was born in Moose Jaw, Saskatchewan in 1921. He enlisted in the Air Force in Regina on April 10, 1942. He trained at No. 7 ITS (graduated November 6, 1942) and at No. 7 AOS (graduated March 19, 1943). He went overseas in England where he served with 434 Bluenose Squadron during World War II. He also served in postwar Royal Canadian Air Force. He was awarded the Distinguished Flying Cross which was effective on January 6, 1945 as per the London Gazette dated January 19, 1945 and AFRO 508/45 dated March 23, 1945. The citation on which this award was made reads as follows: "Flying Officer Wickens has completed a tour of operations several of which were against heavily defended targets in Germany. In March, 1944, during an attack on a French target, his aircraft was attacked by night fighters with the result that the flight engineer was wounded, two engines were severely damaged and the petrol tanks holed. This necessitated an emergency landing as soon as this country was reached. This officer displayed courage, determination and high navigational skill under hazardous circumstances. He has proved himself to be a cool and highly efficient navigator throughout. His devotion to duty in the face of enemy opposition and adverse weather is meritorious."
